You're all set

For security reasons, you need to verify your ownership of '**noblespeedytrac.com**'. You can verify this by one of the following methods. Please note that it won't affect your existing email/domain management services.

Add a **TXT** record in the DNS *(Recommended)*

1. We have identified that your domain manager is '**Namecheap**'. [Login](#) to your '**Namecheap**' DNS account.
2. Now, add a new TXT record, and copy-paste the TXT value from the following table into the DNS configuration. Click [here](#) for detailed instructions.

TXT Name / Host	TXT Value / Content
@ (or) Leave it blank	zoho-verification=zb14231721.zmverify.zoho.in

3. You may have to wait for 30 minutes to 1 day for this change to propagate, depending on the TTL value that you've entered.
4. Finally, come back to this page and click on the 'Verify TXT Record' button that follows to complete the domain verification process.
